FOOD BUSINESS UNIT

Providing the taste of love. Making fresh, clean foods like homemade foods. Sharing good food for everyone's happiness.

CNB started food business in 1963, when CNB coffee and tea was founded. CNB continues to produce top products in the industry based on efficient marketing and brand strategies, exporting diverse products such as biscuits, jams, coffee and tea around the world.

CNB thoroughly manages the safety of foods through the highest level of quality and safety management system. Quality and safety management system certifications at all business sites, as well as the hazard analysis critical control points (HACCP) certification.

CNB's food business will further solidify the market competitiveness of its current business fields while CNB also continues to develop new business and reinforce its overseas operations, with an eye to becoming the best food company in the world.

Our story begins with coffee and biscuits, a perfect combination of sweetness. Since 1963, CNB's strategy was customer satisfaction

"Coffee makes us severe, and grave, and philosophical."
Jonathan Swift, 1722
